

Goodhue County Small Business and Nonprofit Relief Fund Guidelines

To provide emergency assistance to local small businesses in Goodhue County adversely impacted by the COVID-19 pandemic, the Goodhue County Small Business and Nonprofit Relief Fund will provide grants of up to \$10,000 to small businesses and nonprofits most in need of support.

Funds will help small businesses and nonprofits pay for critical expenses such as rent payments, mortgage payments, utilities, payments to suppliers, and costs associated with reopening. Providing this support will increase the capacity of small businesses and nonprofits with a physical location in Goodhue County to survive the current crisis and will help prevent potential future blight scenarios. **These funds can only be used to cover business expenses for which other financial assistance was not provided. In order to receive funding under this program, you must document other assistance received and detail the additional, unmet need.**

We understand there is a cost to reopening your organization safely. These grant funds can also be used to ensure your organization can afford to operate while maintaining the social distancing guidelines for the safety of your employees and customers.

This program will be administered by Community and Economic Development Associates (CEDA) with direction from the Goodhue County Board of Commissioners and Economic Development Authority.
